Acknowledgements

The Tanzania Institute of Education (TIE) would like to acknowledge the contributions of all the organisations and individuals who participated in designing and developing this textbook. In particular, TIE wishes to thank the University of Dar es Salaam (UDSM), Open University of Tanzania (OUT), Ardhi University (ARU), Marian University College (MARUCo), University of Minnesota, PROJEKT INSPIRE, the School Quality Assurance (SQA) Department, teachers' colleges and primary schools. Besides, the following individuals are acknowledged:

Translator: Ms Christina D. Kamamba

Editors: Prof Gaston Mapunda, Prof Ralph P. Masenge, Dr Makungu Mwanzalima, Dr Edephonce Nfuka, Dr Kristeen Chachage and Mr Kelvin J. Kimath

Designer: Ms Eva G. Kwai

Illustrator: Mr Fikiri A. Msimbe, Mr Gwakisa U. Mwandoloma and Mr Yohana P. Mwenda

Co-ordinator: Ms Christina D. Kamamba

TIE also appreciates the contribution of pre-primary teachers and children who participated in the trial phase of the manuscript. TIE would like to thank non-governmental organisation, the Room to Read for sponsoring initial stage of the writing of this book.

Likewise, the institute would like to thank the Government of the United Republic of Tanzania for financing the writing and printing of this book.

Dr Aneth A. Komba
Director General
Tanzania Institute of Education

Introduction

This textbook, Early Arithmetic, Science and ICT skills is prepared in accordance with the 2023 Pre-primary Curriculum and Syllabus issued by the Ministry of Education, Science and Technology (MoEST). It is a revised edition of the first edition which was published in 2018, based on the 2016 Curriculum and Syllabus.

This book aims at enabling the child to develop proficiency in early arithmetic, science and ICT skills through various learning activities in the following areas:

1. identifying objects that builds the concept of numbers in the environment;
2. identifying measurements;
3. building the concept of numbers;
4. adding and taking away objects;
5. carrying out simple scientific experiments; and
6. using ICT.

I count numbers by singing

Five little monkeys jumping on the bed
One fell off and bumped its head
Mother called the doctor and the doctor said,
"No more monkeys jumping on the bed"

For Free Reading Only

I count numbers by singing

Four little monkeys jumping on the bed
One fell off and bumped its head
Mother called the doctor and the doctor said,
"No more monkeys jumping on the bed"

For Reading Only

I count numbers by singing

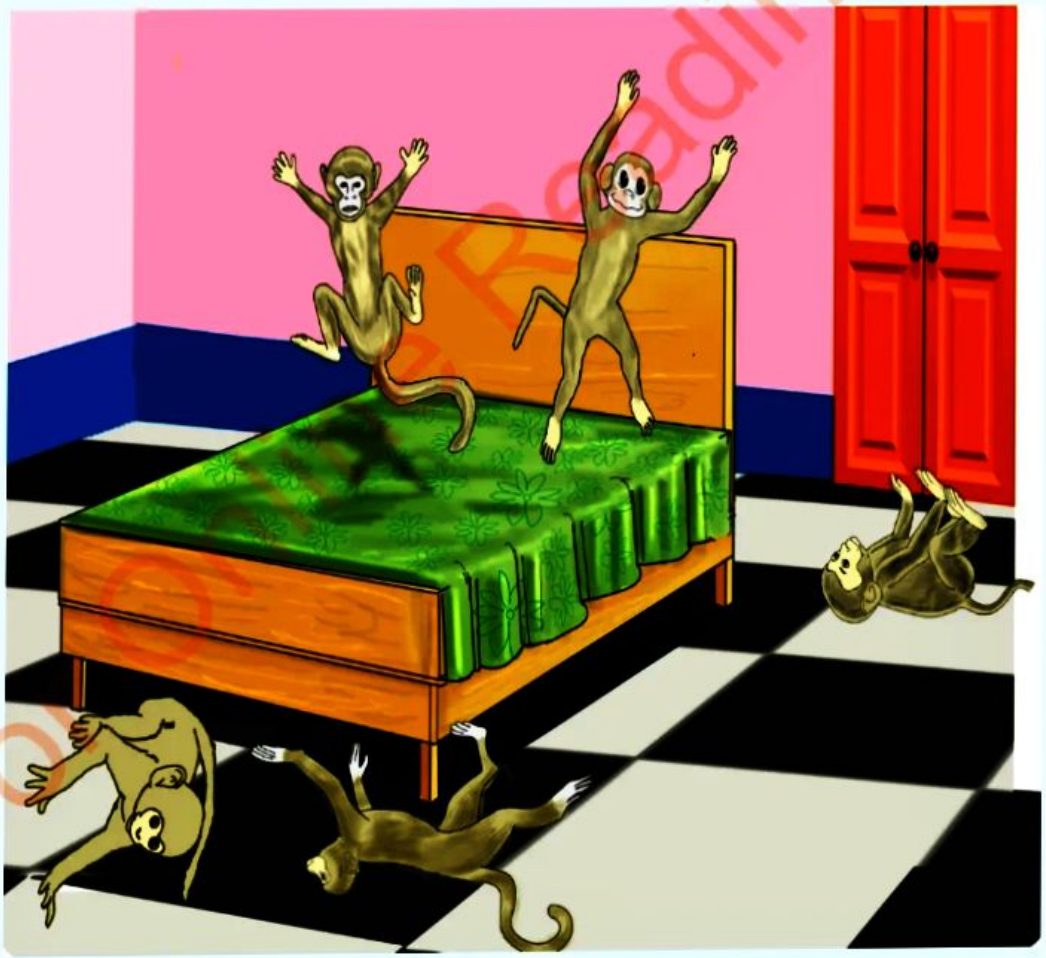

Three little monkeys jumping on the bed
One fell off and bumped its head
Mother called the doctor and the doctor said,
"No more monkeys jumping on the bed"

For Online Reading Only

I count numbers by singing

Two little monkeys jumping on the bed
One fell off and bumped its head
Mother called the doctor and the doctor said,
"No more monkeys jumping on the bed"

For Online Reading Only

I count numbers by singing

One little monkeys jumping on the bed
One fell off and bumped its head
Mother called the doctor and the doctor said,
"No more monkeys jumping on the bed"

For Online Reading Only

I count numbers by singing

No little monkeys jumping on the bed
None fell off and bumped its head
Mother called the doctor and the doctor said,
"Put those monkeys back on the bed"

For Online Reading Only

Match the objects with their corresponding number.
