Acknowledgements

The Tanzania Institute of Education (TIE) would like to acknowledge the contribution of all governmental and non-governmental institutions that participated in one way or another in preparing this textbook. In particular, TIE wishes to thank the University of Dar es salaam (UDSM), the Dar es Salaam University College of Education (DUCE), Mzumbe University (MU), University of Minnesota, teachers' colleges, the School Quality Assurance (SQA) Department and primary schools. Besides, the following individuals are also acknowledged.

Translator: Mr. Marcus I. Kipangule

Editors: Prof. John. A.M. Mahugija, Dr Albert P. Tarmo, Dr. Morice D. Tegeje & Ms Kristeen Chachage

Designer: Mr. Frank P. Maridadi

Illustrator: Mr. Fikiri A. Msimbe

Cordinator: Mr. Marcus I. Kipangule

TIE also appreciates the contributions from the primary school teachers and pupils who participated in the trial phase of the manuscript.

In addition, TIE thanks the non-governmental organisation, the Room to Read for sponsoring initial stages of writting this textbook.

Introduction

This book has been prepared based on curriculum and syllabus of Primary Education Standards I and II of the year 2023 issued by the Ministry of Education, Science and Technology. Moreover, the book is the result of improvement and the combination of the two Health and Environment books for Standards One and Two published in the year 2018 based on the 2016 curriculum and syllabus. The objective of this book is to enable the pupils to build competencies in taking care of health and the environment through the following learning activities:

1. Cleaning the body;
2. Taking care of clothes;
3. Protection from dangerous environment and objects; and
4. Identifying safety signs.

Additional learning resources are available at TIE e-Library https://ol.tie.go.tz or ol.tie.go.tz

Read the story below and answer the questions that follow.

Story

One day Neema and her mother went to the farm to harvest maize. While her mother was harvesting, Neema was playing under a big tree. While playing, Neema was stung by a bee which was on the flower of the tree and she felt severe pain. Neema's face was swollen, so her mother took her to hospital. The doctor gave Neema medicine and told her that bees are dangerous insects that sting and leave poison in the body causing various effects. The doctor also told Neema that other dangerous insects are ants, mosquitoes and wasps. The doctor advised Neema to avoid dangerous insects.

Questions

1. What have you learnt from the story?
2. Mention dangerous insects from the story.
3. Why did the doctor advise Neema to avoid dangerous insects?

Activity 1

(a) Watch video on the internet showing pictures of dangerous insects.
(b) Walk around the school compound, and look for dangerous insects, then write their names.
