The mouse started to touch the whiskers of the lion. Suddenly, the lion got up. He looked around angrily. He wanted to know who was disturbing him. Then, he saw the mouse. He jumped to catch the mouse. He was about to kill it. The mouse asked for forgiveness. The lion decided to forgive the mouse. He set it free. Then, the mouse ran away panting.

The next day, the lion was caught in a net by a hunter. The mouse came there and cut the net through. Thus, the lion escaped. Since then, the mouse and the lion have become friends. They lived happily in the forest afterward.
